

CALL TO WORSHIP (TWO-PART READING)

Walt Wiltschek

1: We gather today amid a culture of “more.”

2: We are told to do more

1: To get more.

2: To buy more.

1: To earn more.

2: To have more.

Both: More, more, more.

1: Today, though, we invite you to focus not on what you lack

2: But on what you already have.

1: To simply “be”

2: To pause and breathe in God’s Spirit among us

1: Because you already *are* more;

2: More than meets the eye;

1: Because of the presence of Jesus Christ within you.

2: More than we could be on our own.

1: More than we can imagine.

2: More than anyone might expect.

1: Not because of what we have,

2: But because of who we are, and *whose* we are.

1: More.

Both: Much more.

2: So come, vessel of God!

1: Let us worship Christ together.
